

Doctoral Program Completion Plan

*1 Students are not allowed to engage in medical practice related work unless they have completed Initial Clinical Training (Article 16 of the Medical Practitioners Act).

*2 Example of the training of medical specialist under the new medical specialist system (started in April 2018). The period and details of training vary depending on the training program of medical specialist established for each of the basic fields (19 fields including internal medicine and surgery). Those wishing to be medical specialists are required to complete the training of medical specialist.

★ Example of doctoral program started in the final year of the training of medical specialist

Information on the Honor and Scholarship

Honor

The Graduate School of Medicine, Hokkaido University

- Best Paper Award Selected applicants receive a certificate and 100,000 yen.
- Takakuwa Eimatsu Scholarship Every year, 3 or 4 outstanding young researchers (including graduate students) are awarded this scholarship (80,000-100,000 yen per awardee as a one-time grant).
- HIROKO International Academic Exchange Foundation This fellowship grant was introduced for researchers who study cancer at overseas universities or research laboratories and return to Japan (applicants must be 35 years old or younger when applying). As a general rule, selected applicants receive 1,000,000 yen per person and up to 2 applicants are selected per year.

Hokkaido University

- Hokkaido University Ohtsuka Award This award was introduced as a part of a gender equality project to assist outstanding female students who aspire to become researchers. Those eligible for the award are outstanding female students in the final year of the Doctoral Program who will complete the program during the said period (in principle; except for students who repeat a year). Selected applicants receive 300,000 yen.

Scholarship

The Graduate School of Medicine, Hokkaido University

- Otowa Hiroji Scholarship Fund Both Japanese and non-Japanese students are eligible. Every year, up to 10 Japanese students and 10 non-Japanese students receive this scholarship (150,000 yen per awardee as a one-time grant). Selection is based on both academic and personal excellence.

Hokkaido University

- Hokkaido University Ambitious Doctoral Fellowship (SDGs) To help outstanding students work to achieve Sustainable Development Goals (SDGs), regardless of their research field, this program provides financial support (amount paid in FY 2023: 150,000 yen per month for support to devote time to research and an annual subsidy of 400,000 yen for research expenses).
- Hokkaido University DX Doctoral Fellowship With the aim of developing Japan's science, technology, and innovation, and fostering outstanding doctoral students with the ability to creatively solve important issues and open up the future, this program provides selected applicants with a research incentive grant of 150,000 yen per month and an annual research grant of 400,000 yen (amount paid in FY 2023).
