

Integrating Climate and Health in Cities

Invited Speaker:

Dr. Eric Zusman (Institute for Global Environmental Strategies, Japan)

Date & time:

Dec. 17 (Wed.) 2025, 18:15 to 19:45 (LIVE)

Description and Bio: Dr. Eric Zusman is a senior policy researcher/area leader at the Institute for Global Environmental Strategies in Hayama, Japan. Dr. Zusman holds a bachelors degree in Mandarin Chinese from Rutgers University, a dual Masters Degree in public policy and Asian studies from the University of Texas at Austin and a Ph.D. in political science from the University of California, Los Angeles. For much of the past two decades, he has conducted research on environmental issues in Asia. In this webinar, Dr. Zusman will talk about sustainability, SDGs, climate change and human health.

Registration is compulsory. For registration, please use the following link or scan the QR code.

We will send you Zoom links for each webinar before the event.

Application deadline by Dec. 15 (Mon.), 2025.
